

## Bern Face Dataset License Agreement

The *University of Bern* is the only owner of all intellectual property rights, including copyright, of *Bern Face Dataset*. The *License Agreement* explains the rules before and after you download and use the *Bern Face Dataset*. By downloading or using the data, you understand, acknowledge, and agree to all the terms in the following agreement. The *University of Bern* reserves the right to terminate your access to the dataset at any time.

### I. Application Requirements

The permission for application is only open to researchers or faculty of universities or research institutes. It is prohibited for students or business entities to apply. The *University of Bern* reserves the right to distribute the license.

### II. Commercial Use

Licenses free of charge are limited to non-commercial research use only. You are only granted a limited, nonexclusive, non-assignable, and non-transferable license to use this dataset, which cannot apply for any commercial use.

### III. No Distribution

This license is not a sale of any or all of the owner's rights. You are not allowed to sublicense or distribute this dataset in whole or in part to any third party. This product may only be used by you, and you may not rent, lease, lend, sub-license, or transfer the dataset or any of your rights under this agreement to anyone else.

### IV. Restricted Use in Research

You are allowed to use the data for research experiments, but the portraits including images and rendered model cannot be published in any form, including publication of papers, presentations, etc. Only the publishable data can be used in published materials. The index of publishable data can be found in the download page.

### V. No Warranty

The *University of Bern* does not warrant the quality, accuracy, or completeness of any information, data provided. Such data is provided **"as is"** without warranty or condition of any nature. The *University of Bern* disclaims all other warranties, expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, concerning the data and any accompanying materials.

## VI. Restriction and Limitation of Liability

In no event shall the *University of Bern* be liable for any other damages whatsoever arising out of the use of, or inability to use this dataset, even if the *University of Bern* has been advised of the possibility of such damages.

## VII. Responsible Use

It is your responsibility to ensure that your use of this product complies with these terms and to seek prior written permission from *University of Bern* and pay any additional fees or royalties, as may be required, for any uses not permitted or not specified in this agreement.

## VIII. Further Information and Commercial or Special Licensing

For any further information or any special use request, please contact the authors at the following e-mail address: [paolo.favaro@unibe.ch](mailto:paolo.favaro@unibe.ch)

## IX. Acceptance of Citation

Any use whatsoever of this dataset shall constitute your acceptance of the terms of this agreement. By using the dataset, you agree to cite the papers of the authors, in any of your publications by you and your collaborators that make any use of the dataset, in the following format (*notice that citing the dataset URL instead of the publications would not be compliant with this License Agreement*):

```
@inproceedings{deblur and rotate,  
  title={Learning to Deblur and Rotate Motion-Blurred Faces},  
  author={Meishvili, Givi and Szabó, Attila and Jenni, Simon and Favaro, Paolo},  
  booktitle={Proceedings of the British Machine Vision Conference (BMVC)},  
  year={2021}  
}
```

## X. Signature

As you understand, acknowledge, and agree to all the terms above, please sign your name here and email this file to [paolo.favaro@inf.unibe.ch](mailto:paolo.favaro@inf.unibe.ch). The *University of Bern* will keep the license with your signature.
